MEMORANDUM FOR MEMBERS, PERSONNEL SECURITY SUBCOMMITTEE

SUBJECT: PerSSub Meeting, 28 September 1983

Attached is the agenda for the next PerSSub meeting to be held 28 September 1983. Also attached are the minutes of the 27 July 1983 meeting for your perusal.

The 28 September 1983 meeting will be most important to us in view of the two major tasks which we have been assigned. It will be essential that the matter of Interim SCI accesses as tasked in SECOM-D-171 be wrapped up and the report to SECOM covering this matter be drafted. All members, particularly those whose organizations use Interim SCI accesses, should be prepared to offer comments and suggestions regarding proposed changes in policy and procedures should any be deemed necessary.

Another matter for your pre-meeting consideration is greater participation of PerSSub members in the Adjudication Conference. While it may be difficult to absent yourselves for an entire week, consider giving a day or two to the conference. You may wish to attend during a lecture by a member of your organization, or when you note a subject in which you have particular interest or expertise. has to know as soon as possible in order to properly schedule people for billets and meals.
